The screenshot shows the 'Add Customer' form in the 'My Customers' section of the 'Gourmet Delicacies' application. The form is titled 'Add Customer' and includes the following fields:

- First Name:** A text input field with the value 'John'.
- Last Name:** A text input field with the value 'Doe'.
- Email:** A text input field with the value 'john.doe@example.com'.
- Phone:** A text input field with the value '123-456-7890'.
- Address:** A large text area with the value '123 Main St, New York, NY 10001'.

Below the form, there is a 'Save Customer' button and a 'Cancel' button.
